THE AIR MOVEMENT SPECIALISTS

Skyfan^{DC}

The future in fans

NEW PRODUCT!

Intelligent energy saving DC technology

Up to 75% less power consumption

High airflow capacity

Extremely quiet - ideal for bedrooms

In-built anti-vibration system

Glass fibre composite blades for added strength and durability

Quick click blade assembly

Indoor and covered outdoor

6 speed LCD multifunction remote

Eco, Sleep and Timer functions

Summer / winter reversible

Android and IOS app control option (sold separately) Compatible with Google Home and Alexa.

WITH LIGHT MODELS

Slimline 5-Step dimmable 20W LED (1800 lumen)

Tri colour changeable (warm, natural and cool light)

LCD Remote Control Included:

- 6 speed reversible
- Eco mode - the most energy efficient setting.
- Sleep mode - reduces 1 speed every 30 mins until off
- 1 - 12 hour run-on timer

Optional Accessories:

LCD Wall Control

The controls are the same as the remote control.

Model SKYWCM

App Control

Android and IOS app control option

Compatible with Google Home and Alexa.

SPINIKA

THE CEILING FAN REVOLUTION

6 YEAR
WARRANTY

True Spin Technology™ is a unique motor housing design that helps minimise vibration and reduce the need for balancing upon install.

New Glass fibre Composite Blades for increased strength and durability

Durable corrosion proof components and UV protection allows the Spinika to be safely used for both indoor/covered outdoor and commercial applications

Low noise output makes the Spinika an ideal fan for bedrooms

Highest Quality Japanese bearings create a smooth running long life fan that is guaranteed to give years of trouble free operation

Fully integrated 20 watt LED Light with high lumen output

Unique dimming function allows 25%, 50%, 75% or 100% light output

New aerodynamic blade design for highest levels of air movement

ECO Switch Setting. A pre selected speed setting allows the fan to run at a reduced running cost whilst maintaining adequate air circulation

Reversible airflow option for summer or winter

Installation friendly quick connect wiring and quick fix assembly

Three light colour options: cool, natural or warm white to suit your preference

Hi-Tec UV coating for exceptional durability and protection against harsh Australian conditions
